## **Nursery Policy & Procedures for Volunteers**

### **Mission Statement:**

Our mission is to provide a safe, clean and fun atmosphere for your child. More importantly, we are the ministry to receive your child at their young ages. Therefore, it is our greatest desire to provide a biblically educational and worshipful experience whenever the nursery is open.

### **Role of the Volunteers:**

- Interact with the children by playing with them, reading to them, or singing with them
- Pray over the children at any opportunity

### **Nursery Clean-up:**

- All toys must be put away in a neat and orderly fashion
- Sweep the floor as necessary
- Remove all trash and replace the trash bags

### **Diaper Changing:**

- Follow the Diaper Changing Procedure located in the Nursery above the Diaper changing station
